

WFRS Webmaster Position

The original website was setup in 1997 by the first webmaster – Jolene Adams and the worldrose.org domain was registered by Ethel Freeman who acted as the web editor to collect the information for the site. Ethel became the second Webmaster in 1999.

The webmaster maintains the site using html, css and asp. The design is updated as the years go by so the site continues to look fresh and new. Some of the information that is used to refresh the site each year is sent to the webmaster by the Executive Director and one or two of the Committee Chairmen.. The rest is solicited by the webmaster from the member countries, the individual rose trials and breeders and the chairmen of upcoming events.

The latest issue of *World Rose News* and of the WFRS Heritage Group Newsletter (*by any other name*) is available for download from the site.

The Webmaster is answerable to the Publication Committee Chairman and the President.

Applicants are encouraged to visit the website for a better understanding of what the site provides in services to the World Federation.

All enquiries should be made to the Chair of the Publications Committee or Executive Director.

Send your application to the Chair of the Publications Committee with copies to the President and Executive Director by April 30, 2018:
